Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 26 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and the chance of scattered showers.

Today:
Sunny spells developing from the north through the morning, with scattered showers clearing. Remaining largely dry with sunny spells through the afternoon, with perhaps the odd shower in the east. Feeling warmer. Maximum temperature 18 deg C (64 deg F).

Tonight:
During the evening, any isolated showers in the east soon fade with clear spells developing widely. Overnight, remaining dry with lengthy clear spells across the region. Light winds. Minimum temperature 2 deg C (36 deg F).

Thursday:
A dry start with plenty of sunny spells through the morning. Patchy cloud developing into midday but remaining largely dry throughout afternoon and evening. Feeling warm. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Dry with sunny spells on Friday, perhaps hazy in the west. Sunny spells throughout Saturday. Dry with plenty of sunny spells on Sunday. Temperatures feeling warm.
